Employment Law and Tribunal Services

Your best option for fair, affordable, and socially responsible employment and discrimination advice and tribunal services

If you're facing challenges with any aspect of employment or discrimination, our Employment Law and Discrimination Service has only one priority – and that's you.

We have a long-standing reputation for securing the best possible outcome for our clients while we minimise both the stress and cost of managing grievances, whether you are the employee or the employer.

If you believe you are being unfairly treated in some way in your workplace or you need help to understand your rights and responsibilities - as an employee or those of your employer - we can help.

- ✓ **Pay as you go** employment and discrimination advice
- ✓ **Affordable costs**, you'll find us much lower than most high street legal services (£105/hr +vat)
- ✓ **Fixed fee** employment tribunal representation
- ✓ **Easy access** to advice by phone, email or video conferencing
- ✓ Services available **nationally** as well as across the North East region
- ✓ Support and advice regarding **settlement agreements** with an employer
